### Supplement to the 2010-2012 Undergraduate Bulletin

## NEW PROGRAMS

### New Minor

#### CATHOLIC STUDIES

The Catholic Studies minor invites students of all backgrounds to explore the multifaceted reality of Catholicism. The minor offers students the opportunity to gain an academic understanding of Catholicism as community, institution and worldview. Minors in Catholic Studies will progress through an interdepartmental course of study that immerses them in the historical, intellectual and cultural currents that shape and express Catholic faith and life. From an introductory course in Roman Catholicism through approved electives drawn from across the curriculum, Catholic Studies exposes students to the rich variety of the Catholic tradition and provides the opportunity to pursue individual personal and professional interests in relation to this tradition. The Catholic Studies Minor lies at the heart of Dominican University's mission to integrate the core curriculum and departmental studies into a larger vision.

#### Requirements

Seven courses (21 credits) chosen in conference with advisor. No more than four courses from any one department may be used to fulfill minor requirements, and at least two courses must be taken above the 300 level. At least 15 credits in the minor, including Catholic Studies 103, must be completed at Dominican; students may petition the director of Catholic Studies to waive the foundation course if they can demonstrate satisfactory completion of substantively equivalent college-level material.

Requirements include:

- One foundation course: Catholic Studies 103
- One course from each of the following three areas

*Cultural Expressions:* These courses study the relationship between historical or modern Catholic cultures and their artistic and literary productions.

*Historical Contexts:* These courses provide historical perspectives on Catholic institutions and societies, as well as Catholic encounters with other societies and systems of belief

*Intellectual Traditions:* These courses examine the theological and philosophical foundations of Catholicism.

- Three elective courses chosen from the list of approved elective courses or from designated areas
- Capstone or Intensification Project. Minors must either:
  - intensify an approved course and complete an intensification following program guidelines, or
  - complete a capstone project in Catholic Studies 395, 410, or 495. The capstone project credit or intensification credit will count toward the elective credits.

#### Area Courses

\* Depending on which options students select, these Study Abroad courses may be used as elective credit in the minor. Students should consult with the study abroad director and director of Catholic Studies.

Adding a Catholic Studies-related service-learning component (299) to any course may make the course eligible for use as an elective course in the minor. The option to add service learning is at the course instructor's discretion, and elective credit for the minor is approved at the discretion of the director of Catholic Studies.

#### New Courses

#### CATHOLIC STUDIES COURSES (CATH)

##### 103 INTRODUCTION TO ROMAN CATHOLICISM (3)

In this course, students will study the central beliefs and practices of Roman Catholicism using the sources and methods of theology. Students will also consider how other disciplines (e.g., the arts, the social sciences) illuminate dimensions of this multifaceted tradition. This course stands alone as a survey course of Roman Catholicism and as a foundation for further exploration through the Catholic Studies Program. Also listed as Theology 103.

This course will satisfy the Theology core area requirement.

##### 410 MCGREAL CENTER RESEARCH PRACTICUM (3)

Students will develop and execute a semester-long research project making use of the McGreal Center archives on Dominican History in the U.S under the direction of the center's director. This course will satisfy the Catholic Studies Minor capstone requirement.

*Prerequisite: Consent of instructor*

##### 395/495 INDEPENDENT RESEARCH OR CREATIVE INVESTIGATION (3)

Independent Research or Creative Investigation is a course in which students collaborate with faculty mentors on an ongoing faculty research project or conduct an independent project under the guidance of a faculty member. This directed undergraduate research or creative investigation culminates in a capstone essay or other creative/scholarly project that will satisfy the Catholic Studies Minor capstone requirement.

*Prerequisite: Junior or Senior Standing and consent of instructor*

#### UPDATED PROGRAM REQUIREMENTS

The following revised program requirements will apply to new undergraduate students entering Dominican University in the Fall 2011 or later.

#### Minor Programs

Eighteen semester hours beyond French 111. A minimum of one-half the courses in the minor field must be completed at Dominican.

##### ITALIAN

Eighteen semester hours beyond Italian 111. A minimum of one-half the courses in the minor field must be completed at Dominican.

##### SPANISH

Eighteen semester hours beyond Spanish 111. A minimum of one-half the courses in the minor field must be completed at Dominican.

#### CORRECTED PROGRAM REQUIREMENT

The following program requirements reflect corrections to the material that appeared in the 2010-2012 Undergraduate Bulletin.

#### Major Programs

##### AMERICAN STUDIES

##### Major Requirements (Thirteen courses)

- American Studies 200, 411;
- Sociology 110;
- History 143 or 144;
- One 200-level English elective;
- One 300-level English elective taken after American Studies 200 and with the consent of the English department;
- Two courses chosen from Sociology, Geography, or Political Science electives;
- Two courses chosen from Art History, Philosophy, Theology, and Communication Arts and Sciences electives;
- One 200-level History elective;
- One 300-level History elective;
- One course chosen from all electives

A minimum of twenty hours in the major field must be completed at Dominican.

Students seeking elementary education certification must choose three courses from either U.S. history or English electives and should take Political Science 170 as one of their electives.

**HISTORY****Major Requirements for Secondary and Middle School Teachers**

Thirty-one semester hours in history, including History 111 and either History 112 or 152; History 300; at least nine semester hours in United States history, including one course

dealing with a period before 1877; one course chosen in European history before 1789; one course in modern European history; one course in Latin American, African, or Global history; at least one intensified course taken after History 300.

Additional requirements: Economics 191, Political Science 170, Sociology 110, and either Geography 250 or 320.

**DISCONTINUED PROGRAMS**

The following programs are discontinued effective Fall 2011; new undergraduate students entering Dominican University in the Fall 2011 or later may not complete these in fulfillment of degree or certificate requirements.

**Discontinued Majors****INFORMATION TECHNOLOGY****COMPUTER INFORMATION SYSTEMS****Discontinued Minor****COMPUTER INFORMATION SYSTEMS****Discontinued Certificate****POST-BACCALAUREATE****PRE-MEDICAL CERTIFICATE**

*Dominican University will continue to admit students to the post-baccalaureate pre-medical program and offer the necessary courses and advising to prepare students for further study in the medical sciences. However, Dominican will no longer award a Post-Baccalaureate Pre-Medical Certificate upon completion of recommended coursework.*

**REVISED COURSES**

The following course revisions are effective for the 2011-2012 Academic Year.

**CHEMISTRY COURSES (CHEM)****101 INTRODUCTORY GENERAL CHEMISTRY (3,1)**

Introductory chemistry course intended primarily for nutrition sciences majors, pre-nursing students, and non-science majors. This course is particularly suited for those who wish to fulfill the general liberal arts requirement in science by increasing their interest in and concern for the relationship of chemistry to life and society. Includes lecture (3 hours) and laboratory (1 hours). Students in degree programs who have not already completed the laboratory must take the lecture and laboratory concurrently; laboratory requires concurrent enrollment in the lecture.

This course will satisfy the natural sciences core area requirement.

*Prerequisite: one year HS Algebra.*

**104 INTRODUCTORY ORGANIC CHEMISTRY (3,1)**

An elementary course which focuses on the role of structure in chemical identity, the reactivity of organic compounds, and the application of reactivity and structure to the understanding of living systems and natural phenomena. Recommended for nutrition sciences and nursing majors. Includes lecture (3 hours) and laboratory (1 hours). Students in degree programs who have not already completed the laboratory must take the lecture and laboratory concurrently; laboratory requires concurrent enrollment in the lecture.

*Prerequisite: Chemistry 101 or 120 with a minimum grade of C-*

**120 GENERAL CHEMISTRY I (3,1)**

Fundamental principles of chemistry, including atomic theory, stoichiometry, classification of reactions, states of matter, bonding theory, and molecular shape. Intended primarily for science majors and post-baccalaureate pre-medical certification students. Includes lecture (3 hours) and laboratory (1 hours). Students in degree programs who have not already completed the

laboratory must take the lecture and laboratory concurrently; laboratory requires concurrent enrollment in the lecture.

*Prerequisites: One year of high school chemistry or Chemistry 101 with a minimum grade of C- and mathematics placement beyond Mathematics 130*

**121 GENERAL CHEMISTRY II (3,1)**

A continuation of Chemistry 120 including aqueous solution equilibria, kinetics, thermodynamics, and nuclear chemistry. Lecture (3 hours) and laboratory (1 hours) must be completed concurrently.

*Prerequisite: Chemistry 120 with a minimum grade of C-*

**253 ORGANIC CHEMISTRY I (4,1)**

An introduction to the study of carbon compounds. Topics include synthesis, structure, stereo-chemistry, reaction mechanisms, and the use of spectroscopy in the study of carbon compounds. Includes lecture (3 hours) and laboratory (1 hours). Students in degree programs who have not already completed the laboratory must take the lecture and laboratory concurrently; laboratory requires concurrent enrollment in the lecture.

*Prerequisite: Chemistry 121 with a minimum grade of C-*

**254 ORGANIC CHEMISTRY II (4,1)**

A continuation of Chemistry 253 with further studies on synthesis, structure, and reaction of carbon compounds.

Includes lecture (3 hours) and laboratory (1 hours). Students in degree programs who have not already completed the laboratory must take the lecture and laboratory concurrently; laboratory requires concurrent enrollment in the lecture.

*Prerequisite: Chemistry 253 with a minimum grade of C-*

## COSTS—2011-2012 ACADEMIC YEAR

Tuition covers only a portion of the total cost of study at Dominican University. The donations of alumnae/i, foundations, corporations and other friends of the university help to limit the expenses charged to students while maintaining a high-quality educational program.

Each application should include the \$25 non-refundable application fee. Students who are accepted and plan to attend must make a \$100 tuition deposit, which can be refunded up until May 1 for the fall semester and until November 1 for the spring semester.
